

## Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on attaining overall consumer fulfillment when their buyer is enjoying one of their various trucks, cars or forklifts. Nissan Forklift division is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are fully committed to delivering high value and meticulous quality values to their clients. Incorporating a rich heritage combined with resilient production principals, Nissan Forklifts supply some of the finest materials handling equipment the industry has to offer.

In order to meet the worldwide requirements of their assorted customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to offering customer support, the company has four independent manufacturing facilities that allow them to continually adapt to their consumers continually evolving requirements by offering an assortment of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and processes that minimize their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their clients demand while being an environmentally responsive corporation.

Nissan is quite convinced that any of their customer's questions and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community authorized dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and commitment.
