

## Rockwell Part

Rockwell Parts - AxleTech International is a leading dealer in the world of specialty vehicle drive-train systems and parts along with off highway vehicles. The business prides itself on being its customers' chosen supplier. AxleTech strives to meet and exceed their clients' expectations for service, technology, delivery and quality. They believe in working in an atmosphere that supports the highest integrity with empowered collaboration, combined with a unrelenting pursuit of results.

AxleTech International is a General Dynamics business. They believe strongly in actively using principals of environmental stewardship and safety in how they do business. The business has put different programs in place in order to articulate these values in their business policy. AxleTech gladly shares this policy and welcomes interested parties to provide them with any questions or comments, as they are happy to share and promote this policy with a greater knowledge of their efforts. They are very dedicated to improving and preserving the natural environment. AxleTech has an EHS program which not only protects the environment but which also actively protects their neighbors and staff as well.

AxleTech specializes in the manufacture and designing of planetary axles meant for both military and commercial applications, which could comprise anything from airport ground support to construction equipment. They take great pride in being a ground-breaking drive-train solutions provider as well. AxleTech specifically designs axles to meet certain application demands. They have more than 1000 different axle specs within their present offering. With over one hundred years of experience and history, AxleTech proudly supplies the most complete solution for whichever of your axle needs. The company is well known in numerous military and commercial applications. They offer complete axle assemblies utilized for aftermarket replacement requirements, along with servicing axle requirements for OE production. Their high mobility ISAS have extra details that can be seen in the "ISAS" product selection.
